

USE ALONE OR WITH ORAL PAIN RELIEVERS. FOR BEST RESULTS, APPLY CONSISTENTLY, 3 TO 4 TIMES DAILY.

Drug Facts

Active Ingredient

Capsaicin 0.075% Topical Analgesic

Purpose

Uses

- for the temporary relief of minor aches and pains of muscles and joints associated with arthritis, simple backache, strains and sprains.
- for use in treating neuralgias, consult a physician

Warnings

For external use only.

Do not apply to wounds or to damaged or irritated skin.

When using this product

- you may experience a burning sensation which is normal and related to the way the product works. With regular use, this sensation generally disappears within several days.
- do not get it on mucous membranes, into eyes, or on contact lenses. If this occurs, rinse the affected area thoroughly with water.
- do not apply immediately before or after activities such as bathing, swimming, sun bathing, or strenuous exercise.
- do not apply heat to the treated areas immediately before or after use.
- do not tightly wrap or bandage the treated area.
- avoid inhaling airborne material from dried residue. This can result in coughing, sneezing, tearing, throat or respiratory irritation.

Drug Facts (continued)

Stop use and ask a doctor if

- condition worsens or does not improve after regular use.
- blistering occurs.
- difficulty breathing or swallowing occurs.
- severe burning persists.

Keep out of the reach of children. If swallowed, get medical help or contact a Poison Control Center immediately.

Directions

- for persons under 18 years of age, ask a doctor before using.
- apply a thin film of cream to the affected area and gently rub in until fully absorbed.
- for optimum relief apply 3 to 4 times daily.
- best results typically occur after 2 to 4 weeks of continuous use.
- unless treating hands, wash hands thoroughly with soap and water immediately after use.
- see package insert for more information.
